Corrections for June 2021
with the compliments of Adlard Coles Nautical

REEDS Eastern Almanac 2021

Corrections to 3rd June 2021 include Admiralty Notices to Mariners Week 22/21

EDITORIAL NOTES

1. Corrections to the above Almanacs are placed on www.reedsalmanacs.co.uk at the following intervals: In early January (covering the period since going to press in June); and thereafter at the start of each month from February through to June. There is no repetition, except where an earlier correction is modified by later data.

2. We thank those who have contributed helpful suggestions, all of which are considered and, if feasible, included. Please tell the Editors as soon as possible of any corrections to the Almanac(s) thought to be necessary, particularly as a result of experience at sea.

CORRECTIONS TO 2021 REEDS EASTERN ALMANAC

CORONAVIRUS As restrictions are slowly removed. There will be pressure on harbours and marinas and it is invaluable to check ahead for availability and the latest guidance - especially with Easter and better weather on the horizon. For example the Isle of Man has experienced a recent spike in infections. Please be mindful of the condition of your boat and any outstanding maintenance as the RNLI, MCA and other services do not need unnecessary call-outs at this time.
